

Suffield Park Nursery

End of Spring Term 2025

We have had a very busy term with the Readathon, Key Person catch up, World Book day, Mothers day, Easter raffle and much more.

Readathon- HUGE thank you for all those who took part we raised over £1200 for the Nursery to buy new books which is amazing, we can't wait to share these with the children.

Key Person catch up - thank you for all those who attended we hope you found them useful as they are a great opportunity to chat about your children.

World Book Day/week - children and staff all had great fun, we loved seeing everyone dressed up for the week.

Lovely Mothers Day sessions -thank you to all who attended we hope you enjoyed reading, singing and eating scones with your children.

Thank you all for your kind donations for the Easter Raffle, we really appreciated your support.

Next terms the themes will be living and growing, movement and travel and transport.

Living and Growing- Understanding life cycles, plants, animals, and the environment.

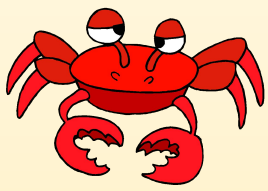

Movement- Exploring different types of movement, developing gross motor skills, and understanding spatial awareness.

SUMMER WEATHER

Please make sure children wear trousers for their wood day and bring their wellies. As the warmer weather approaches please ensure your child is wearing sunscreen before they come into Nursery. We have a supply in Nursery to reapply. If your child has allergies/ sensitive skin please provide us with the sunscreen labelled with their name and we can store this here. Please also bring a labelled sun hat once we get warmer weather.

This term in the woods the children will be learning skills of den building, mud painting, tree climbing and using different hand tools.

Woods Sessions for Summer Term

Exciting Changes to Nursery Lunchboxes - Your Input Needed!

We have some exciting news about how we're planning to make our lunch boxes even healthier and happier for our little ones, starting in September. We're always looking for ways to support your children's wellbeing and development and we believe that healthy eating plays a big part in that.

After Easter, we'll be making a small change to our lunchbox guidelines. Specifically, we'll be asking that chocolate and products containing chocolate (like chocolate biscuits, chocolate spread or bars) are left at home. This is a first step towards helping us create a more consistent and healthy environment for everyone. We understand this might be a change for some and we want to assure you that this is about promoting healthy habits in a gentle and positive way.

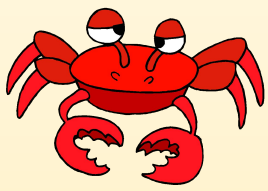

Looking ahead to September, we're planning to introduce a more comprehensive lunchbox policy that focuses on nutritious and balanced meals. We want to work with you to create this policy, ensuring it's practical, supportive and reflects the needs of our nursery community. As many of you will know, at Suffield Park Infants School, all children are provided with a school prepared lunch (no lunchboxes from home) from the Norse menu (available on Tapestry). We hope that a more consistent approach in Nursery will better prepare children for the transition to our school as well as promote good eating habits for later life.

We really value your input! We'd love to hear your thoughts, ideas, and any concerns you might have about these planned changes. Your feedback will help us co-produce a policy that works for everyone.

Here's how you can share your views:

- Chat with your child's Key Person, Room Leader or Hayley: We are always happy to listen.
- Email us: hpowell3drb@nsix.org.uk
- During our 'Healthy Eating Week' next term (week beginning 12/5/25) we will be holding some short informal meetings to share ideas: Monday 12th May at 1.30pm, Tuesday 13th May at 9.30am, Wednesday 14th May at 9.30am Directly after these meetings you will be invited into Nursery to experience snacktime with your children. Look out for an invitation on Tapestry in the new term.

We understand that changes to routines can sometimes feel a little unsettling, but we want to reassure you that our focus is always on creating a positive and supportive

environment for your children. We're confident that by working together, we can create a lunchbox policy that promotes healthy eating habits and happy, energetic little ones.

Thank you for your understanding and cooperation.

Nursery Parent Questionnaire: We are always striving to provide the best possible experience for your children and families at our nursery. Your feedback is invaluable to us, and we would greatly appreciate you taking a few moments to complete our questionnaire when you receive the link on Tapestry in the next few days. Your responses will help us understand what we're doing well and identify areas where we can improve.

Please let us know if you would prefer a paper copy of the questionnaire.
